One lesson from this parable is clear: *the harvest is sure to come*. While some seed will fall by the wayside and some fall on shallow ground and never come to maturity, and some be choked to death by the thorns; nonetheless a harvest will come. The seed that falls on good soil, on the heart that is receptive, will reap abundant fruit. God is always ready to speak to each of us and to give us understanding of his word. Are you hungry for his word? And do you allow anything to keep you from submitting to God's word with joy and trusting obedience?

"Lord Jesus, faith in your word is the way to wisdom, and to ponder your divine plan is to grow in the truth. Open my eyes to your deeds, and my ears to the sound of your call, that I may understand your will for my life and live according to it" (c) 2020 Servants of the Word

Message from Fr Edward.

“The kingdom of Heaven is like mustard seed...” This is one of images Jesus used in the Gospel for this weekend to help us in better understand of the reality of his kingdom. This image is a good illustration of what is happening in our parish after the covid19 lockdown has been relaxed. With the opening of the church and restarting of celebration of Masses our parish community seems to be growing. Thank you very much for being a part of that growth. It is so nice to see you again in the church. Slowly we are coming back to normal and although we need to make slow and careful steps we are allow to do more. Recently we have received instructions on celebrating Baptisms, Weddings and Funerals in the church. Also there is now possible to visit the individual sick at home. We are looking forward for the instructions on Sacramental preparations so we could accomplished our First Communion and Confirmation Classes. Thank you very much to the church cleaners and stewards. Your help is essential for keeping the church open end our community safe. Please continue to pray so we could return to normality very soon.

God bless you all.

Fr Edward
