What can mustard seeds teach us about the kingdom of God? The tiny mustard seed literally grew to be a tree which attracted numerous birds because they loved the little black mustard seed it produced. God's kingdom works in a similar fashion. It starts from the smallest beginnings in the hearts of men and women who are receptive to God's word. And it works unseen and causes a transformation from within. Just as a seed has no power to change itself until it is planted in the ground, so we cannot change our lives to be like God until God gives us the power of his Holy Spirit. Do you allow the seed of God's word to take

deep root in your life and transform you into a fruit-bearing disciple of Jesus Christ? **"Lord Jesus, fill me with your Holy Spirit and transform me into the Christ-like holiness you desire. Increase my zeal for your kingdom and instill in me a holy desire to live for your greater glory".** c) 2020 Servants of the Word
