Fear does not need to cripple us from taking right action or rob us of our trust and reliance on God. Courage working with faith enables us to embrace God's word of truth and love with confidence and to act on it with firm hope in God's promises. The love of God strengthens us in our faith and trust in him and enables us to act with justice and kindness towards our neighbour even in the face of opposition or harm. Faith enables us to relate to God rightly and confidently, with trust and reliance, by believing and adhering to his word, because he is utterly reliable and trustworthy. If we want to live, grow,

and persevere in faith, then it must be nourished with the word of God. Do you allow the love of Christ to rule in your heart and mind, and to move your will to choose what is good in accordance with his will? **Lord Jesus, increase my faith in your redeeming love and power that I may always recognize your abiding presence with me. And give me courage to do your will in all circumstances.**
