St. Peter's Roman Catholic Church Sacrament of Baptism

Congratulations on the birth of your child.

These notes are for your guidance. Please do ask Fr Edward if there is anything you are unsure of.

Dear Parents,

Your child's baptism is a time for celebration and joy for both your family and the Catholic Community here at St Peter's.

We are here to assist you in this celebration.

The Church Community affirms and supports your decision to have your child baptised. This time of preparation is a wonderful time to explore and evaluate your own faith and practice.

Just as your child will bear your physical features and pick up your body language, he or she will also grow in the faith you model as a parent. That is why, when you approach the Church about having your child baptized, we will want to be assured that your faith is precious to you.

The very fact that you have asked to have your baby baptised is a sign that you recognise the importance of God in your life.

Please review the procedures enclosed in this document. Important information regarding preparation for and celebration of the sacrament as well as information regarding the selection of Godparents is included.

The Church welcomes your child with great joy and looks forward to growing in faith and love with your family.

We welcome you to our baptismal preparation programme.

Sincerely,
Fr Edward

Preparation for celebration of Baptism

1. Make sure you have the necessary documents:

- your child's Birth Certificate,
- the Baptismal Certificate or any other proof of your Baptism in the Catholic Church.

2. Bring these documents to the Presbytery during the office hours.

Fr Edward will help you to complete the Registration Form for Baptism and discuss your child's baptism.

If you are unable to come during the office hours, please book the appointment in another time.

3. Register for the Baptismal Preparation Sessions unless you already attended one in the past.

*Preparation for baptism at St Peter's involves attendance of both parents at two sessions. It may be a good idea to start arranging baby-sitters for the dates when you decide to do the course. **The baptism of your baby cannot take place until you have completed the course.** You will receive a certificate at the end of the course and it is optional if you wish to attend the course again when you have other children for baptism.*
